

NEXO LOGIN UI DESIGN

AIM:

The aim is to design and compare different UI layouts for the NEXO application using varying color themes and evaluate user feedback based on visual appeal, usability, and readability.

PROCEDURE:

Step 1: Create Design

- Use design tools like Figma / Photoshop / GIMP.
- Create a login UI screen for the NEXO application.

Step 2: Base Layout Design

- Add app logo (modern tech-style icon).
- Add title: NEXO
- Add subtitle: "Next Gen Experience"
- Add input fields:
 - Email / Username
 - Password
- Add checkbox: Remember me
- Add CTA button: Login
- Optionally include:
 - Forgot Password
 - Sign Up link
 - Continue with Google

Step 3: Create Colour Variants

- Layout 1: Blue Theme
- Layout 2: Green/Teal Theme
- Layout 3: Purple Theme

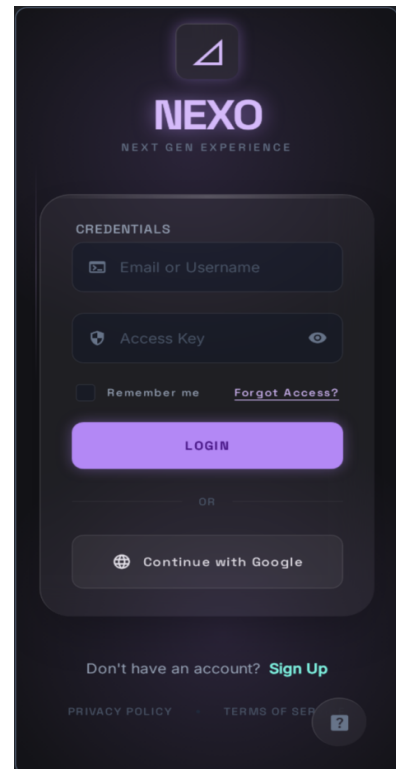

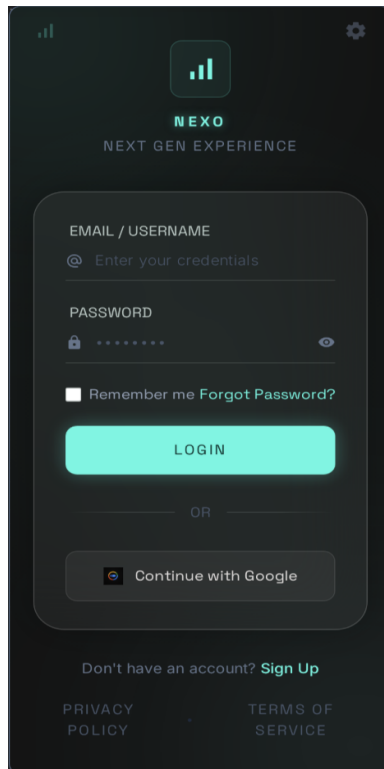

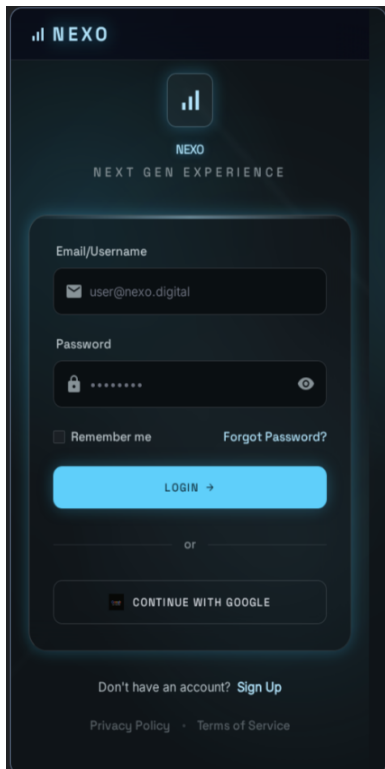

Step 4: Export Designs

- Export UI layouts as images for comparison.

Step 5: Collecting User Feedback

- Google Form Link: <https://forms.gle/sxuuHVgaTmMWeRKv6>

UI DESIGNS:

USER FEEDBACK:

Layout 1 (Blue Theme):

- Clean and professional appearance
- Good readability and contrast

Layout 2 (Green Theme):

- Fresh and modern design
- Best balance of colors and usability

Layout 3 (Purple Theme):

- Stylish and futuristic look
- Slightly darker background affects clarity

FINAL RECOMMENDATION:

Preferred Layout: Layout 2 (Green Theme)

Reason: Best visual balance, clarity, and overall user preference.

RESULT:

The NEXO login UI designs were successfully created and evaluated. The green-themed layout provided the best usability and visual appeal among all the variants.
